

RY Coordinator Training

Advanced Training for Supervisors of the RY Program

The RY Coordinator Training prepares participants for important supportive tasks related to coaching and supervision of their RY Facilitator(s) and sustaining RY programming.

Successful completion of the RY Facilitator Training is a requirement of participation in the RY Coordinator Training.

Join us for this 3-hour live webinar, presented in two engaging modules.

01 Creating Infrastructure

After a quick review of the core **RY Program components**, we'll discuss essential RY Coordinator tasks related to **building infrastructure to support fidelity of the program and the best student outcomes.**

02 Support and Supervision

Module 2 involves exploring the **technology platform**, the **digital tools** for virtual groups and completing **outcome evaluation**. We'll also identify best practices for **support and supervision** of your RY Facilitators.
