

CAST & RY Coordinator Training

Advanced Training for Leaders of CAST or Reconnecting Youth Prevention Programs

A Coordinator should be assigned to supervise your RY or CAST Facilitator(s) and support your program to ensure implementation fidelity. Coordinator Training prepares participants for important supportive tasks related to **building infrastructure, coaching, supervision and sustaining programming.**

Successful completion of the Facilitator Training is a **prerequisite** for participation in the Coordinator Training. Select one (or more) of your trained Facilitators to complete this advanced training on behalf of the team. If you are a "team of one", then you should complete **both** the Facilitator and Coordinator Trainings.

Join us for this **4- to 5-hour personalized training**, presented in two engaging modules.

01 Creating Infrastructure

After a quick review of the core **CAST or RY Program components**, we'll discuss essential Coordinator tasks for **building infrastructure** to **support fidelity** of the program and the best **student outcomes**.

02 Support and Supervision

Next, we'll explore the **digital tools** for leaders and students, and how and why to complete **outcome evaluation**. We'll also identify best practices for **support and supervision** of your Facilitator(s).
